— Crafted as part of the winery's "Positive Thoughts" series, "POS" is a blend of Cabernet Sauvignon and Hokujun (a local hybrid variety). POS is a transparent expression of the region and the winery's deeply personal philosophy. The wine pours a cloudy pale ruby and opens with aromas of tart red berries—think cranberry and strawberry—layered with floral notes like rose and hints of nutmeg and cedar. On the palate, it's medium bodied, savory and textured, with bright acidity and a gentle earthiness that finishes with a subtle lift of volatile acidity. The wine was born during the COVID-19 pandemic as a symbol of resilience and hope, featuring label artwork by Sawahiraki, a blue tree set against a white background, meant to convey optimism, growth, and creative persistence. It pairs well with grilled mushrooms, poultry, pork, charcuterie, and savory cheeses, and shines best slightly chilled. The 2023 vintage of POS is an expressive and quietly powerful wine—a thought provoking communicator of story, personality, and elegance.
